Mr. James L. Sullivan, City Manager
City Hall
Cambridge, Mass. 02139

Dear Mr. Sullivan:

We want to be on record that we support whole-heartedly the Order before the City Council, presented by Councillor Walter J. Sullivan, that the Cambridge Common be returned to the people of Cambridge.

We vigorously protest the use of the Common by groups who have a known history of violence, and whose actions are detrimental to all the principles for which the American Legion stands.

We would like to have this as a matter of record, and placed in the minutes of your honorable City Council.

We support any action necessary to restore the Common to its former beauty.

Very truly yours,

Edward D. McNulty
