CITY OF CAMBRIDGE.

OFFICE OF

SUPERINTENDENT OF PUBLIC BUILDINGS

AND

INSPECTOR OF BUILDINGS,

CITY HALL.

May 18th, 1894.

President John G. Thorogood.

Dear Sir:-

In reply to yours of May 17th, would say that there is ample ~~for~~ room for two men, there being two chambers which can be used for the purpose, the fitting of the same will probably cost about $ 100.00.

Respectfully yours,

Benj H. Seale.

Supt. Public Buildings.
