Dear Mr. Paul E. Healy,

This is to acknowledge with appreciation your letter and the enclosed copy of the resolution adopted by the Cambridge City Council on reading my address into the Council's official records.

I am most grateful for the honor that you have extended to me and would sincerely appreciate your extending my heartfelt thanks to the Council and each and every member.

I was most heartened by the concern shown by the Council and the citizens of Cambridge itself in the problem of disarmament, which I feel is the most crucial issue facing mankind today.

I, on my part, will continue to work toward the goal of disarmament, which I am convinced is the only way in which we can spare future generations to come from the mad folly of the unceasing arms race which we see all around us today.

Sincerely,

Tokuma Utsunomiya
