To the Honorable the City Council
Council Chamber,
City Hall, Mass.

Dear Members of the City Council:

Although my term of office as a member of the Cambridge Housing Authority has still almost a year to run, I am, for personal reasons, tendering my resignation, effective as of today, January 12, 1970.

The Authority, the City of Cambridge and the architect have good reason to take pride in the Truman Apartments on 8th Street which will be completed by the end of this month.

To me the Truman Apartments are a significantly fine example of the ability of the public housing program to create dwellings appropriate for their occupants and for the neighborhood, when the problem is approached with determination and sensitivity.

I believe this was achieved by the Housing Authority and I am glad, together with my colleagues on the Board, to have had a part in the planning of this architecturally pleasing and dignified building for our elderly citizens.

Sincerely yours,

Pearl K. Wise
