Dear Sirs:

On May 11, 1974, the March of Dimes plans to hold a Walk-A-Thon in your town. A Walk-A-Thon is a community activity to show concern for the problem of birth defects. Walkers get sponsors to pledge an amount for each mile they complete. All proceeds benefit March of Dimes programs of birth defect prevention.

The Walk will begin at Boston Common at 8:00 A.M. and end there at approximately 5:00 P.M. I've enclosed a map of the proposed route. We expect about 3,000 walkers to participate.

I would like to request the issuance of whatever permits or permissions might be necessary for the Walk.

If you have any questions regarding this matter, please don't hesitate to call me at 783-4180.

Sincerely,

Marjorie Berman
