

Cambridge, November 21 1990

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

I would like to apply for a permit to sell my handcrafted gemstone jewelry. I make quality beaded necklaces, bracelets and earrings.

I would be a stationary operation and would like a small space (8'x10') in front of the First Parish Church on the corner of Mass Ave and Church St. I would like to work December 8, 9, 15 & 16 from 12 noon until 4 PM.

I am registered with the Mass Dept of Revenue as a small business (ID# 026-482-347) under the name of Penrheny of Boston. I mainly sell my jewelry at Craft Shows, home parties and by word of mouth. I have had a very positive response to my work. This is the end of the selling season for me and would like to test my marketability in Harvard Square.

I feel that my work meets the high standards of Harvard Square as it is made of the highest quality materials (NO PLASTIC, NO TONE).

I hope you will consider allowing me a small space for one or both of the weekends I have specified. Thank you for your time.

Sincerely,
Gail H. Penrheny
