Reference

Subject Council Order #7 11/7/88 "Resident Parking For Cambridge Highlands"

We are currently conducting a postcard survey of the residents of Cambridge Highlands concerning the posting of Resident Parking on their local streets.

Since the Resident Parking Program began we have instituted permit parking on local residential street when a majority of the residents of that street requested the program. Upon completion of the survey we will communicate the results to you, and if the majority of the residents show they want it, the department will promulgate the regulations and install the required signs.
