

To the Mayor and Aldermen of the
City of Cambridge.

Your petitioners, Abutters on Third Street,
in Ward 3, request that the order to
remove the obstructions on said street
may not be enforced; but, that the
steps on the sidewalks, which have been
permitted to remain for many years, may
continue; as their removal would cause
great expense or inconvenience to the
owners.

East Cambridge, May 8. 1871.
