Sir:

In regards to the City Council Order of September 12, 1956 for a shield on a street light at 24 Sargent Street, please be advised the regular procedure is that we should receive a letter from the complainant as to where the shield should be installed to prevent the glare from entering the first, second or third floors, bedroom or front piazza. After we install this shield, if the neighbors complain that it darkens the street or sidewalk we want to know who the complainant is and notify him that we have to remove the shield for the safety of the public using the street or sidewalks.

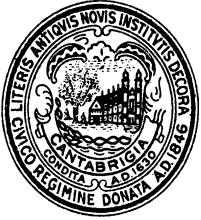

Respectfully,

Vincent L. Moynihan  
City Electrician
