City of Cambridge.

In Board of Aldermen, May 6 1865

Ordered,

Whereas, The buildings, steps of buildings and fences upon that part of Main Street, between Clinton Street and the Universalist Church, stand irregularly and

Whereas, It is not expedient at the present time to widen said street by cutting off any portion of said buildings, steps or fences, but it is expedient to establish a line to which all prospective improvements shall conform, and beyond which no new structure shall be allowed to project,

Ordered, That the two lines delineated upon the plans of said Main Street, drawn by J. G. Chase, bearing date of April 22. 1864 and now on file in the office of the City Clerk, said lines being parallel with, and at the distance of one hundred and three feet from each other, except north westerly of Pleasant Street, at which point the Southerly line begins to approach the other, — be and they are hereby adopted and established as the lines to which all prospective improvements on that part of Main Street, shall conform, and beyond which no new structure shall be allowed to project.

The foregoing is a true copy of order adopted in Concurrence, by the City Council, May 6. 1865,

Attest: Justin A. Jacobs City Clerk

N B The city plan is dated Sept 22. 1864

Order 11
Lines on Main Street
May 6, 1865
