

City of Cambridge.

In the year One Thousand Eight Hundred and Sixty Seven.

An Ordinance

Establishing the Office of City Engineer and Surveyor.

Be it ordained by the City Council of the City of Cambridge, as follows,

Section One. There shall be chosen at the commencement of each municipal year, by concurrent vote of the City Council, to be first acted upon by the Mayor and Aldermen, a City Engineer and Surveyor, who shall be a citizen of Cambridge; He shall hold his office for one year from the first Monday in April, in the year in which he shall be elected, and shall be removable at the pleasure of the City Council, and a vacancy may be filled at any time for the unexpired term, He shall receive such compensation, as the City Council may from time to time determine.

Section Two. Under the direction of the City Council, said Engineer and Surveyor shall take charge of, and exercise a general supervision of all matters pertaining to the construction, extension, and repairs of the Water Works, the improvements at the Cemetery, the laying out and grading or improvement of streets, and the plans thereof, together with the construction of Sewers and Drains and Bridges; He shall be the custodian of all the City Plans, and keep the same properly bound, classified, and indexed, and shall adopt such rules and regulations

Section Two,

as may be deemed necessary to ensure their safety; He shall make or cause to be made, such surveys, plans, estimates and descriptions, and take such levels, as may be required of him, by the Mayor and Aldermen, or by any committee of the City Council; All plans and surveys, relating to the laying out, widening, extending and grading of streets, shall be subjected to his examination and approval, and he shall perform all other services for the City of Cambridge, which properly come under the direction of a Civil Engineer and Surveyor.

Section Three. It shall be the duty of said City Engineer and Surveyor, to report monthly to the City Council, upon the separate departments in his charge, ^{and} making such suggestions, as in his judgment will best promote the public interest, ~~and~~ annually in December, to submit a full detailed report of all work performed during the year.

Section Four. All ordinances, and parts of Ordinances, inconsistent with the provisions of the foregoing sections, are herewith repealed.

Section Five. The election of a City Engineer and Surveyor for the current year, shall take place, as soon as may be after the passage of this ordinance.
