Re: Steinbergh Proposal

Date: November 16, 1994

① Please note that this proposal is too elusive on the issue of "low income FAMILY."

Is one single person who is

low income eligible with ~~age~~ ^{income}

proof of same consideration?

If yes I'd like it spelled out

clearly in binding form. ② Also

the Dec 31, 1995 Deadline is

LESS Than fully generous—
