NEW BEDFORD CELLULAR TELEPHONE COMPANY

The Department of Public Utilities has received an application from New Bedford Cellular Telephone Company requesting that they be authorized to provide cellular telephone service in the New Bedford Area. Along with this application, New Bedford Cellular Telephone Company has filed a proposed tariff which contains the rates to be charged for this service.

The above investigation is officially captioned:

D.P.U. 85-158

New Bedford Cellular Telephone Company hereby makes application under the provisions of Chapter 159 of the General Laws as amended, for a certificate as a Radio Utility, for the operation of a Mobile Radio Utility System for compensation within the Commonwealth of Massachusetts.

D.P.U. 85-166

Investigation by the Department on its own motion as to the propriety of the rates and charges set forth in M.D.P.U. No. 1 tariff pages 1 through 42 filed with the Department on June 27, 1985, to become effective July 27, 1985, by the New Bedford Cellular Telephone Company.

The above-captioned dockets have both been consolidated for hearing purposes. The Department will conduct a public hearing to address these issues on Monday, August 19, 1985, at 10 a.m. in its Hearing Room, No. 1210, Leverett Saltonstall Building, 100 Cambridge Street, Boston, Massachusetts.

By Order of the Department,
