COUNCILLOR SIMMONS
COUNCILLOR TOOMEY

WHEREAS: The Cambridge Public School District Science Department, in collaboration with the Cambridge Teachers Association and the National Education Association, will hold a unique exposition, Science in the City, Saturday, October 22, from 10:00 A.M. to 3:00 P.M. at the Cambridge Rindge and Latin School; and

WHEREAS: Science in the City is a featured event of the Cambridge Science Initiative; and

WHEREAS: The Cambridge Science Initiative is a program of the Cambridge Public School District, to encourage excellence in science teaching and learning for all students in Cambridge and to promote science literacy throughout the community and the growth of a scientifically literate workforce in the City of Cambridge; and

WHEREAS: The Science in the City event will feature Cambridge-based companies, educational institutions, and community agencies demonstrating how science, technology, and engineering are used daily in their work, through hands-on and interactive exhibits, lectures, and displays about research projects and innovations; and

WHEREAS: Participating companies and institutions will make Science in the City an exciting event illuminating how inquiry and innovation produce discoveries and advances in their fields; and

WHEREAS: At the end of the Science in the City event, more people in Cambridge will understand the work of participating companies and institutions and will have a deeper knowledge about the importance of science and technology in our society; now therefore be it

RESOLUTION #29

Thanks to the participants and
sponsors of Science in the City, an
exposition to be held on Saturday,
October 22, 2005 from 10:00 a.m.
to 3:00 p.m. at Cambridge Rindge
and Latin School.
