Dear Sir

I have just learned with regret. that a petition has been presented. for the removal of a public Shade Tree standing in front of the Estate No 96 Thorndike St. Ward 3. owned I believe by one Mossell.

The house in question. (No 96) sets back some six or eight feet from the building line proper. of the Street and is therefore ~~is~~ more exempt from the objection of branches of the tree overhanging the roof than most buildings would be.

The tree in question is very high. very straight. and well formed. one of the handsomest. Most healthy and thrifty in the Ward. I cannot see what possible objection can be made against it. especially by the immediate abutters. whose house as I before said. sets back of the general building line. of the Street in question.

My dwelling is the next one East. No 94. the tree in question has always been a thing of beauty. and a matter of pride for me. although I get no immediate shade from it. Yet it shades the Street. and is a public blessing every day in the year. I see no possible objection to it although its branches overhang my house more than they do the premises from whence the petition emanates.

On the opposite side of the Street. the residents receive the most benefit from it. being protected from the suns hot rays the whole day long. One of these latter houses is now occupied by your worthy City Clerk. Mr Walter W. Pike. ask him about it. If I lived where he does I would not lose this fine tree for \$500.

I cannot understand the motive of the petition at all. If this tree was directly in front of my own premises I would rather lose a finger from my right hand. than consent to its being cut down.

I regret that my business calls me away from home. otherwise I should appear in person and protest vigorously against the removal of this fine tree. in case a hearing should be allowed. which I do not think necessary. and I find by what my neighbors say that they all feel exactly as I do in this matter.

I am Sir Very Respectfully Yours
Samuel S. Hamill
