

The Commonwealth of Massachusetts

Office of the Secretary of State
Michael Joseph Connolly, Secretary

Robert H. Williams
Deputy Secretary of State

July 17, 1982

To All City and Town Clerks and Election Commissioners:

I am writing to request your assistance in the timely, economical distribution of ballots and in anticipation of potential inquiries on State Primary Day. Please forward, as soon as possible, the address of each precinct in your community. This information will greatly facilitate a sound election day procedure for us all.

The booklet entitled "Massachusetts General Laws Relating to Marriage," recently distributed by the Office of the Secretary, contains all laws pertaining to marriages in the Commonwealth as of December 31, 1981. Some of the recently enacted statutes passed in 1982 are not included but will be in the next edition. Any suggestions for additional publications, feel free to call the Public Records Division, at 727-8436.

Thank you for your continued cooperation.

Very Truly Yours,

ROBERT H. WILLIAMS
Deputy Secretary of State
