CAMBRIDGE MA.

Walter J. Sullivan
Councillor

and all Council Members

We wish to thank all of you
for the resolution you sent to us
in memory of our father. It is
very impressive and will be on
display in our home.

Our father very much enjoyed
living in the City of Cambridge. Over
the years he made many good
friends and had many good neighbors.

Your thoughtfulness is deeply
appreciated.

Sincerely,
William McLaughlin, Jr.
and family members
