

City of Cambridge

In City Council

May 9, 1922.

RESOLVED:-

That in the retirement of John F. Sullivan as a member of the Board of Park Commissioners the City of Cambridge loses the services of an honest, capable and highly respected public official. In all his dealings with the public and with city ~~officials~~ officers his never failing courtesy has been an outstanding characteristic. In the business world he is highly honored and respected, as is attested by his many years of responsible service with one of the largest establishments in the city.

The City Council hereby records its appreciation of the public service rendered by John F. Sullivan, regrets that pressure of business has compelled his retirement at this time and respectfully recommends that these resolutions be spread upon the records.
