From a point 395 ft. S.E. of Ash St.,
125 ft. S.E. by

Soc. of St. John the Evangelist the
only one affected - No Land Court
according to Assessors Report

Block P. 165 July 24 & 26

City of Cambridge

(Order to Construct Main Drain or Common Sewers,
General Laws, Tercentenary Edition, Chapter 83)

In City Council,
September 1, 1936.

WHEREAS:-

It is hereby adjudged necessary for the public convenience and the public health that a main drain or common sewer should be laid out, made, constructed and maintained in certain public ways as follows:-

Northeasterly side of Memorial Drive from a point three hundred ninety-five (395) feet southeasterly of Ash Street, one hundred twenty-five (125) feet southeasterly

And it is therefore

ORDERED:-

That the said main drain or common sewer be laid out, made and constructed as aforesaid and the City Engineer is hereby authorized and instructed to cause the said main drain or common sewer to be laid out, made and constructed as aforesaid and to report to this City Council after the completion of the work, the cost thereof and assessments shall be made as provided by law upon the abutting estates as follows:-

SUPPOSED OWNER

recorded forthwith in the Middlesex South District Registry of Deeds.

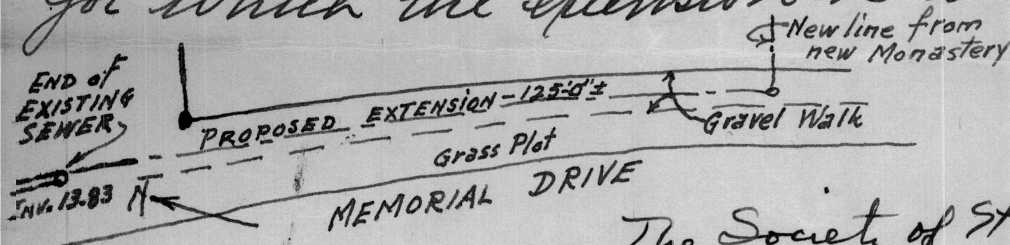

Cambridge, 7/31 _____ 1936

To the Honorable, the City Council of the
City of Cambridge

The undersigned respectfully pray

That the sanitary sewer on Memorial Drive be extended in a southerly direction toward Boylston St. for a distance of approximately 125'-0" for the purpose of allowing a connection from a new Monastery now being erected on the property of the Society of St. John the Evangelist.

Plans of this new work are on file with the Building Dept. of the City of Cambridge and drawing number one shows the present sewer and the Owners line south of Church for which the extension is desired as per sketch.

The Society of St. John the Evangelist Inc.
Spence Burton, S.S.E.
President.

PETITION

of *The Society of St. John the*
Evangelist, by *J. J. Burt*, President
for *the extension of sanitary sewer*
on St. Andrew's Drive, in a southerly
direction towards Bay State St. for a
distance of approximately 125 feet
