Cambridge, Mass.

Dear Councillors:

We, the members of the Dr. Martin Luther King, Jr. School Double Dutch Team, thank you very much for the resolution pamphlet that was presented to us. I, as president of the team, would like to tell you that we were very honored to receive this. We are very enthusiastic and we enjoyed knowing that all of you have known about our appearances.

We, the Double Dutchers, do not seek acclaim for ourselves, but for the City of Cambridge and for the Dr. Martin Luther King, Jr. School. We want our city to be well known. Our city may be smaller than other cities but it's just as good, if not better, and we want people to know this. That's why wherever we go to demonstrate we do our best and let people know that we are from Cambridge!

Respectfully,

Marilyn Ortiz
President
King Double Dutchers

5-111

Comm. from Marilyn Ortiz, Pres., Dr. Martin Luther King, Jr. School Double Dutch Team, in acknowledgement & appreciation of resolutions adopted on behalf of the team.
