HON. WILLIAM A. BANCROFT, MAYOR,

MAR 30 1894

Sir:- We the undersigned physicians of Cambridge, believing that there is urgent need of better facilities for conveying the sick and injured to and from their homes and the hospitals than exists at present, would most respectfully petition that a properly equipped and centrally located Ambulance be provided and maintained by the City, at the public expense, and placed at the convenience of the rich and the poor alike who may require it as a means of conveyance.
