To The Honorable, The City Council:

In response to Awaiting Report Item No. 44, regarding the possibility of planting trees on Clifton Street, please be advised that public shade trees will be planted by the Forestry Department along Clifton Street between Theriault Court and Harvey Street, paying special attention to the right side of the Street, as it is void of any public shade trees.

City Arborist Jack Kelly, has completed the tagging of appropriate public shade trees at an approved tree nursery, and anticipates planting to take place in early November.

Very truly yours,
