March 12th 1888

To the Honorable the Mayor^W Aldermen
of the City of Cambridge.
Gentlemen:

I deem it important to bring to your attention the notice filed at my office by the agent of the Messrs G. F. & H. M. Leonard of their intention to build a block of brick buildings at the junction of Austin & Main Streets. The said party propose to build about ten feet further out on the sidewalk than is at present occupied by buildings. As it is important for the City to see that no encroachments are made upon the highway, I bring the matter to your attention for your action at the earliest moment, as the parties wish to proceed with the work as soon as possible.

Respectfully Submitted
Benj. K. V. Hall.
