

RECEIVED BY
OFFICE OF CITY CLERK 1984

To the Members of the
Cambridge City Council,
CAMBRIDGE, MASS.

The area in which the
Fogg Museum wants to
build a steel structure for
a bridge across Broadway
is a residential area, and
the residents who live and
pay taxes in that area
are very disturbed about it.
You must stop such a
bridge, as that air space
belongs to the people and
not to Harvard. They can
walk across the street without
the bridge.

in opposition to construction of the pro-
