

CITY OF CAMBRIDGE
POLICE DEPARTMENT
INTEROFFICE CORRESPONDENCE

TO: James L. Sullivan, City Manager
FROM: Leo F. Davenport, Chief of Police
SUBJECT: Central Square Patrol

DATE: July 11, 1980

REFERENCE: City Council Order
#5.12.80 - #17 dated 5/15/80

The City of Cambridge Police Department considers the safety and well being of its citizens a top priority. In our continuing effort to improve conditions within our neighborhoods, we have recently "beefed up" our patrol force in the Central Square Area. During the first thirty-one days of this operation (May 15 to June 15) the number of police units (walking and one-man patrol cars) has increased. During this time, one unit has been assigned 13 times, 2 units 36 times, 3 units 38 times and 4 units 6 times.

The assignment of additional patrol officers to the Central Square Area has shown very favorable results in this first thirty-one days. From May 15 to June 15, the officers assigned to the Central Square Area have answered a total of 425 calls-for-service. This represents over 7% of the total calls-for-service in the entire city for the same period. Of the total calls-for-service answered in this area, 81 resulted in persons being placed in protective custody, and 52 persons being placed under arrest. A breakdown of some of the calls-for-service that occurred repeatedly are shown below.
