Dear Mr. Healy,

I am writing to you for two reasons. First to thank you for your cooperation in sending communications such as the city charter. Secondly, the Association has asked that I write and indicate to you our hope that again this year you will follow the procedure of last year of setting up registration centers for those young citizens from 18 and older who have not as yet registered to vote in Cambridge. We feel it is our duty to encourage that the youth of the nation exercise the right to vote since it is their most cherished possession.

Please feel free to call on us if we can be of assistance.

Very truly yours,

Mary C. Mroz
