Sandra -

I Can't put into words my appreciation for the wonderful honor that you & the City Councilor's sent for my mother's behalf. I got really choked up when I read it yet it made me feel close to her once again, which was nice. It is thoughts from kind people like you that help get me through these difficult times. I know you can relate to that. my heart feels for you, also. Thanks Again;

Please express my sincere appreciation to the Council members.

Respectfully

Sandra Mannix
