Dear Sirs:

Treasurer

DORIS CHAFFOLD

We, the officers and members of the Cambridge Branch of the N.A.A.C.P., support the Cambridge Concerned Citizens Against Police Brutality, and reaffirm our opposition to any and all acts of violence being perpetrated by any person or group of persons within our city. We deeply deplore that present allegations of brutality, although supported with considerable factual evidence, have gone begging for a just resolution.

We, here again, pledge ourselves to actively remain in the forefront of these matters and to continue to make available all help necessary to deal with these problems successfully.

Yours truly

Gail Bishop
