

Cambridge, Nov. 3. 1874.

To the Honorable, the City Council,
of the City of Cambridge

The undersigned respectfully prays that suitable damages may be allowed him for 6,123 square feet of land taken from him in the extension of Warren Street; And he submits that he was not aware that the time limited for an appeal from the award of damages, made at the time of extending said street, had expired, until by reason of said expiration he had lost the opportunity for such appeal. Wherefore, being without other means of redress, he appeals to the sense of justice in your honorable Board, and prays that such a sum may be awarded him as equity may demand.
