Mr. Paul Healy
Clerk of the City of Cambridge
Cambridge City Hall
Massachusetts Avenue
Cambridge, Massachusetts 02139

Dear Mr. Healy,

We would like to have a date set for a Public Hearing to determine whether we will be granted a certificate to operate a shuttle service based in Cambridge and serving the Lexington, Concord area. This shuttle would provide transportation for tourists coming here for the Bicentennial celebrations this summer.

As we will need a certificate from each city and town within whose limits we would be operating, we would appreciate a hearing date as soon as possible.

Sincerely yours,

Oscar S. Mathews

Charles W. Welsh

P.S.

We will submit a formal proposal to the City Council upon notification of hearing date.
