Dear Mr. Sullivan,

I hereby tender my resignation as Commissioner of the  
Cambridge Housing Authority effective June 30, 1977.

I had assumed that my previous resignation of December  
28, 1975 was not acted upon pending the appointment  
of a new commissioner to take my position.

However, I can no longer continue with my duties and  
responsibilities to the Cambridge Housing Authority  
and must insist that my resignation take effect on  
the aforementioned date.

I take this step with much regret. Public Housing has  
always been close to my heart. Whatever contributions  
I have made toward better housing for the people of  
Cambridge, I have done with great pleasure and pride.

Sincerely yours,

*Walter L. Reed*
