Joseph E. Connarton, City Clerk
City of Cambridge
City Hall
Cambridge, Massachusetts 02139

Dear Mr. Connarton:

Thanks so much for taking the time to send me a copy of the resolution on Social Security and Medicare adopted by the City of Cambridge. As a member of the Select Committee on Aging, you can be certain that concerns of the elderly receive my closest attention. With regard to the "notch" problem, I am currently reviewing several legislative measures that attempt to restore equity to the system. I will be happy to keep you posted if there are any congressional developments that pertain to this matter.

If I can be of further assistance, don't hesitate to contact Todd Tatum or Heidi Landecker in my Washington office. They deal with health and Social Security issues and can tell you of pending legislation.

Thanks again for your letter.

Sincerely,

Joseph P. Kennedy II
