

ORDERED that, on petition of New England Telephone and Telegraph Company dated May 2, 1984, for location shown on plan #83-166 of New England Telephone and Telegraph Company, dated November 5, 1983, for underground conduits with the necessary wires, cables, and related apparatus therein, in Alewife Brook Parkway, Rindge Avenue and Rindge Avenue Extension in Cambridge, MA, a distance of approximately 760 lineal feet, to be used for the transmission of intelligence by electricity, said location being under the care and control of this Commission, and found by order of the Department of Public Utilities to be required by public convenience and necessity, said plan and petition being on file in the office of this Commission, a public hearing on said petition having been given by this Commission on Wednesday, May 23, 1984, at 11:00 A.M., in room 206 of the Commission in Boston, of which hearing due notice was given to all persons interested of the time and place by publishing a copy of said petition and the order of notice issued thereon by this Commission in newspapers published in the City of Cambridge, being the city in which the location petitioned for would lie, the first publication having been made at least fourteen days prior to the date of said hearing, and it appearing, in the opinion of this Commission, that public convenience and necessity so require, said New England Telephone and Telegraph Company is hereby granted a location for said underground conduits, wire cables, and related apparatus therein, in said Alewife Brook Parkway, Rindge Avenue and Rindge Avenue Extension in Cambridge, MA, to the extent and upon the terms, conditions, and obligations hereinafter specified, the same being such as the public necessity and a due regard for the rights of the Commonwealth require, namely:-

1. The New England Telephone and Telegraph Company shall conform to all provisions of law applicable to the exercise of the rights and performance of

the work under this grant and to the rules and regulations of the Metropolitan District Commission.

2. The New England Telephone and Telegraph Company shall do the work of installing said underground conduits, wires, cables, and related apparatus therein, in the location hereby granted subject to the approval of the Director of Permits for the Commission, as to time, manner, and location, and in all other respects.

3. The New England Telephone and Telegraph Company shall indemnify and save harmless the Commonwealth of Massachusetts and the Metropolitan District Commission from any damage it or they may sustain or be required to pay arising out of the exercise by said Company or any of its employees in connection with the work done hereunder.

4. The New England Telephone and Telegraph Company shall protect and maintain all trees, drainage, or water pipes, and all appurtenances or structures either above or below the surface of the ground over which this location lies, during and upon completion of the work shall restore the surface of the ground to a condition satisfactory to said Director of Permits, for the Commission.

5. The New England Telephone and Telegraph Company shall take all possible measures during construction to reduce the impact on the area.

6. The New England Telephone and Telegraph Company shall co-ordinate all construction with the MBTA project.

7. The New England Telephone and Telegraph Company shall provide and maintain adequate signing, proper barricades, warning devices and Metro Police protection during construction.

8. A one time fee of \$1140.00 be charged for this installation.

9. No work shall be done under this grant without first obtaining a permit therefor from said Director of Permits and subject to conditions imposed by him.

The above is a true copy of order passed at a meeting of the Metropolitan District Commission held in Boston, on Thursday, June 7, 1984, as appears by record in this office.
