To The Honorable Members of The City Council:

The Drama Department of the Cambridge Public Schools is looking forward to participating in the events planned for the Cambridge River Festival, May 16-21, 1977. During the week, we will be mounting performances by our elementary and secondary students throughout the City, culminating on Saturday with a revival of America's longest-running musical, The Fantasticks.

We are grateful for the support you have given the Cambridge Arts Council for the planning and organization of this Festival; it allows us the opportunity to join in the celebration of our City.

Mayor Vellucci's recommendation for the appropriation of funds to help the Arts Council meet its minimal festival budget is very important to the success of this City-wide event. We urge your approval of such funds and appreciate your generosity and foresight.

very truly yours,

Judith Contrucci
Coordinator of Dramatic Arts
