Dear City Council,

I am writing to update the Council on the negotiations between Walden Square tenants and Winn Development. Several weeks ago, the tenants met with representatives of Winn to discuss funding for a technical support team to work with the Tenant Committee. After the meeting, the tenants were under the assumption that Winn would provide the tenants \$24,000 over a 6 month period for technical support with no restrictions on how the money would be spent. In the last several days, the Tenant Committee received a letter from Winn outlining the restrictions on how the funds may be used.

We would to bring this issue to the City Council because it is of great concern to the tenants of Walden Square. Thank you for your consideration.

Sincerely,

Toy Lim

Square Tenant Committee)
