To: Robert W. Healy
City Manager

From: 
Public Works Commissioner

Date: November 26, 1996

Subject: **Council Order #029, dated 11/18/96**
Re: Replacement of the Hot Top
Sidewalk with Cement on the
"Odd" Side of Fresh Pond
Parkway

RECEIVED
96 NOV 29 AM 8:53
OFFICE OF THE CITY MANAGER

Public Works has contacted the Metropolitan District Commission and requested an update on the schedule for replacement of the hot top sidewalk with cement on the odd side of Fresh Pond parkway.

We have been informed that the contract has just gone out to bid and will not be awarded until the Spring. The MDC will definitely be replacing the even side of the sidewalk at that time. It is also their desire to do the odd side at the same time or shortly after. They have promised to keep us posted.

The MDC has also invited us to "walk the site" with the Contractor as soon as they know who will be doing the work.

Public Works will keep on top of this situation and report back to the Council in early Spring.

C: Ann Daughaday, City Engineer
