"Doc Linskey Road Race Shines Despite Weather"

With your support, we did it again! Through the combined efforts of people like you, we topped last year's donation to the William F. Linskey Scholarship Fund. Over \$16,000.00 will be presented to Northeastern University in Doc's name, to benefit the students of the Cambridge Rindge and Latin School.

This year's total entries increased to over 600. The computerized finish line company, who expected a field of approximately 800 on a good day, was surprised by the dedication of the 400 who ran despite the inclement weather. The awards and prizes were warmly received, while the overall response from the runners was genuinely positive.

Without your donation, the race would not have been a success.

We look forward to working with you again, as plans have already started for the 1988 race on September 18th. We strive to make each year's race a greater success.

Again, our heartfelt thanks for your continued support.

Sincerely,

John P. Allen
