OFFICE OF THE CITY CLERK
CAMBRIDGE, MASSACHUSETTS

Monday, June 23, 2003

Dear Mayor Sullivan, City Councilors and School Committee Members,

We are writing as concerned mothers of infants living in the 02140 area of Cambridge. We have come to know each other through the Center for Families in North Cambridge which runs a weekly infant group. This meets in a wonderful infant and toddler friendly play space at the Fitzgerald School. Along with the excellent support that the staff provides, this has been an extraordinary resource. It has provided support on an individual level and also brought parents together.

We have developed a strong sense of community and our children have come to know each other at the earliest of ages. We have developed a sense of connection with the school and a strong interest in the future of the schools.

So, we were very saddened to learn that the Center would be losing this wonderful space. We wanted to express our hope that another space be found without disruption of this valuable resource. We are active in the community and look forward to supporting you in this endeavor in any ways possible.

Yours sincerely,

Maura Kohl Gould
