Dear Tim:

Matignon High School is pleased to again welcome students and faculty members from our sister-school, Mito-Sakuranomaki High School in Japan. This sister-school relationship, which began in 1988 when visitors from Mito-Sakuranomaki High School first came to Matignon and which was expanded in 1993 when Matignon began traveling to Japan, has provided invaluable opportunities for the two schools to gain knowledge about different cultures and lasting friendships. Twenty students and four chaperones will be arriving in Cambridge this week for a weeklong homestay program with Matignon students and their families to continue this meaningful exchange.

We would be honored if you would join us on Thursday, November 2, 2000 at 9:15 AM to witness our schoolwide assembly for the Japanese Exchange Program. During the assembly, students from Mito-Sakuranomaki High School will share some of their culture and tradition with the Matignon High School community and will offer reflections about their weeklong experience of American life. This assembly has always been a wonderful way for both schools to formally greet one another and sustain the sister-school relationship.

The Matignon community has appreciated your support in the past and your presence would enhance the experience for both schools, as Matignon and Mito-Sakuranomaki would welcome a visit from our City Councilor and State Representative. If you are able to be with us for this event, please feel free to contact me at 617-876-1212x116 by Wednesday, November 1, 2000. Thank you again for your continued support of Matignon High School!

Sincerely,
