Esteemed Councilers,

Sincere thanks is being extended to you by the Committee of Traffic Supervisors, for your generous donation toward their recent Safety Award Party.

The children had a wonderful time at the dinner, and awards and prizes were awarded later.

Still to come for them however, will be a chaperoned trip to the ball park, to see the Red Sox play the California Angels, in buses, hired for the occasion.

Without your help none of this could have taken place. Thanks again from us, and also from the hard working Safety Patrolers.

Sincerely
Louise Delaney
