

October 8th, 1947.

Mr. Edgar W. Davis,
City Engineer,
Cambridge, Massachusetts.

Dear Sir:-

At a meeting of the City Council held on October 6th, 1947 a report of the Committee on Public Service was adopted recommending that the petition of Thomas Boudreau et als relative to sewerage conditions in the Kinnaird, Howard and Bay Street area, be referred to the City Engineer for study and report back to the City Council.

Enclosed you will find the petition above referred to. I would appreciate it if, when you make your report back to the City Council, you will also send back with the report the aforesaid petition.

Truly yours,

Frederick H. Burke,
City Clerk.

City of Cambridge

In City Council October 6, 1947.

The Committee on Public Service

to which was referred petition of Thomas Boudreau et als relative to sewerage conditions, Kinnaird, Howard and Jay Streets.

Reports,

Recommending that the petition
be referred to the City Engineer for study; and report back to the City Council.

For the Committee.

James J. Casey
