Tribute is recognition. Recognition of the achievements of women and recognition of the organizations that support them. Since 1985, women leaders diverse in profession, background, race, age, and economic achievement have been awarded.

This year's Tenth Anniversary Tribute to Women proceeds benefit the YWCA's Youth Program expansion. Our children are tomorrow's leaders. They are the parents, the educators, the physicians, the attorneys, the authors, the engineers, the scientists, and the business leaders of our future.

Our Tribute is a truly successful event with your support and most of all, your presence.

We gratefully acknowledge Cambridge Savings Bank for their lead support.
