To The Honorable, The City Council:

In response to Awaiting Report Item No. 3, regarding traffic and pedestrian safety concerns in West and North Cambridge, Traffic, Parking & Transportation Director Susan Clippinger reports the following:

There is currently a "school crossing" and "playground" warning signs posted on Standish Street approaching Vassal Lane. The Department adjusted the "parking" sign at 238 Huron Avenue so that it is no longer a problem with the abutters.

The installation of a "four way stop" at Cedar and Dudley Streets is not warranted and would, in the Department's opinion, create more of a hazard. The Department performed a speed study of Cedar Street and reviewed accident data at Cedar and Dudley Streets and has submitted a request to the State for a 25 MPH speed restriction on Cedar Street. The crosswalk at that location has been converted to a zebra type crosswalk.

Very truly yours,

Robert W. Healy
City Manager
