Dear Councillors:

After a year of fund raising, the Cambridge YWCA is ready to begin the first phase of our building renewal plans to refurbish and restore our structure.

You may know that the Cambridge YWCA and its programs have been of vital service to the community for some 88 years. The original and historic building has only been added on to twice--once to build a pool and once to build a new residence. It is exciting to begin rehabilitation because it symbolizes growth.

In celebration, we will have a Groundbreaking and membership party on October 28 at 7:30 P.M. We will be honored to have the presence of your body, especially since many of our 10,000 members live in Cambridge.

Thank you for your interest and we look forward to seeing you.

Sincerely,

Gail Kharidia
