To the Honorable, the City Council:

In response to City Council Order No. 9 of January 3, 1983 relative to placing sand containers at all bridge locations throughout the City, please be advised that Public Works placed sand containers at all libraries, fire stations, underpass at Harvard, and the Huron Avenue Bridge during the first week in December, and followed up on January 11, 1983 with a review of all locations to insure availability of sand to the public.

Very truly yours,
