MID-CAMBRIDGE Neighborhood Association

May 1, 1985

All Mid-Cambridge Neighborhood Association members and neighborhood residents are invited and urged to attend the Association's Annual Meeting on Wednesday, May 15 at 7:00 PM at the Cambridge Public Library, 449 Broadway. The agenda will include election of the Association's Coordinating Committee for the coming year, reports and discussion on Central Square and the activities of the Dog Committee, and the announcement of the Neighborhood Beautification Contest awards, to be presented by Mayor Leonard Russell.

Central Square

Assistant City Manager for Community Development Kathy Spiegelman will address the meeting on the topic of The Future of Central Square. As Central Square adjoins our neighborhood, and as many neighborhood residents work or shop in the area, or at least pass through the square on a regular basis, current activity there -- including development pressures, proposed new housing construction and the renovation of the MBTA station -- is of great interest to us. Ms. Spiegelman will discuss and answer questions on these issues.

Awards for Neighborhood Beautification

The Mid-Cambridge Neighborhood Association presents Beautification Awards in appreciation to neighborhood residents who, through beautifying their homes and gardens, make mid-Cambridge a more attractive and pleasant place to live. Nominations for awards are open until May 9, so why not nominate your favorite garden (gardens can include window boxes, sidewalk plantings, or any other gardening visible from the street). Or nominate your favorite renovated house (anything from a new front column or repainting to a full renovation would qualify). Complete details and a nomination form are on the reverse.

Dogs!

The Neighborhood Association Dog Committee has been revitalized and has been meeting to discuss the problem of the mis-use by dogs of the park next to the library. The committee has proposed recommendations for dog owners, the city Animal Commission, the City Council, and the general public, which will be presented at the May 15 meeting. Community input on these suggestions will be sought, in an effort to make the park an oasis in our congested area for dog owners and nonowners alike.

Contributions Gratefully Accepted

The Mid-Cambridge Neighborhood Association is entirely supported by voluntary contributions -- we have no membership fees. We would welcome donations to help pay for such things as mailing this newsletter, maintaining our membership list, and buying our beautification awards. Your contribution of any size will be gratefully accepted. Make checks payable to MCNA and mail to Hugh Russell, Treasurer, 2 Corliss Place, Cambridge, MA 02139. Thank you!
