I am not sure that I can be at the hearing tomorrow night.

I do believe that the widening of Mt Auburn St. at the part suggested is an improvement which in the interest of all concerned must be made at some time & obviously can be done now more cheaply by far than it can after the vacant lots are occupied.

Yrs sincerely

WILLIAM M. RICHARDSON,

COUNSELLOR AT LAW.

57 EQUITABLE BU LDING.

Boston, April 6th, 1894.

W. A. Hayes, 2nd, Esq.,

Dear Mr. Hayes:-

I am sorry that I cannot be present at the hearing this evening, upon our petition for the widening of Mt. Auburn St. between Maynard Place and Elmwood Avenue. I thoroughly approve of the plan of widening, not only because the street will thereby be of a uniform width, but especially because if the street between those points should remain at its present width, very little room will be left between the car tracks and the sidewalk for the passing of carriages. The R. R. Co have already laid their tracks to Elmwood Avenue, and one can now readily see how important it is that the widening should be made.

It seems to me that now is the time to widen the street, as most of the land which will be taken for it is unimproved, and the introduction of the electric cars on this street will necessitate, I am informed, some change of grade in this street, so that it would seem that the widening could be made at less expense at the present time than at a future time.

I hope that you will succeed in convincing the proper authorities that the plan should be carried through in the manner you suggest and at the present time.

Yours truly,

William M. Richardson

To the

Board of Aldermen

of the City of Cambridge, Mass.

The undersigned citizens of Cambridge respectfully represent, that, in view of the improvements on Mt. Auburn Street, contemplated by the Park Commission, and the location of the ~~horse~~ car tracks on said street, it is desirable that said street be widened to a uniform width of at least eighty-five feet from Maynard Place to its intersection with Brattle Street at Fresh Pond Lane.
