DEPUTY CITY CLERK

MEMORANDUM

TO: The Honorable, The City Council

FROM: ^{DMD} D. Margaret Drury, City Clerk

DATE: February 26, 1998

SUBJECT: Discussion of City Council Mission and Priorities

.....

The City Council recently adopted an order which provides that the discussion of City Council goals should take place once a month at City Council meetings, with one goal discussed each month. As there has been some uncertainty about how the new order fits with the previously adopted schedule for a goals discussion on March 16, 1998, I have scheduled the first monthly goal discussion for March 16, 1998.

At the previous goals discussions, the first three goals were discussed in some depth and the fourth goal of improving communication to the public was briefly addressed. The City Manager's staff is currently working on an overall public information plan and has indicated that the discussion could be fuller and more informative after more development. Therefore, subject to approval by the City Council, I have scheduled the fifth goal of workforce development for discussion on March 16, 1998, with the expectation that the fourth goal will be discussed the next month..
