Dear Sir

Your notice appointing a
Meeting in Groverbridge St. ^{for} Yesterday at (about)
4.30 P.M. was received - As the petitioners, waited
until the twilight deepened into dark, but as ~~no~~ ^{no} ~~one~~ ^{one}
took the ^{notice} to Mr McComie for construction, he
thought you did not get to it - and advised
me to ask you to give us ample notice when
the next appointment is made, which I now do.

in your eyes. Very truly
