Dear Mr. Casey:

I would like to give you an update on the wiring of several buildings for Harvard Law School. We currently have a design and B.O.M. (bill of materials) for the project at our office. Scott Nickerson, our Technical Manager, is in the process of setting up a meeting with Mr. Frank Lamentea from the University to discuss how he would like to proceed with the project.

If I can provide any further information to you in this area please do not hesitate to call.
